

Unit 8

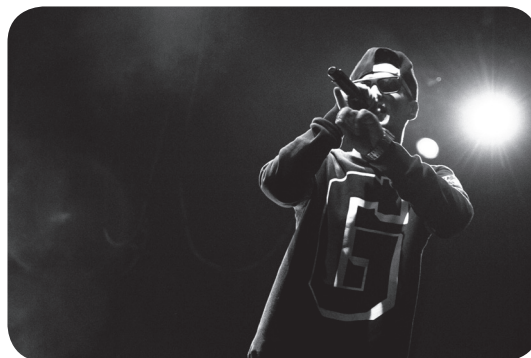

21st Century Skills Project

Advice rap

**1 Critical thinking**

Get into groups of three. Discuss the following questions:

- 1 Do you like to offer advice? When? How?
- 2 Do you like to ask for advice? Why or why not?
- 3 Do you like to being offered advice without permission? Why or why not?
- 4 Which is the best piece of advice you have received in the last month?

**2 Collaboration**

Get in new groups. Make sure there are a total of three groups in the class. Ask you teacher to assign you a category. Come up with a list of questions for the category you were assigned.

- Group 1: Write five questions that start, *What will you do when...?* (you have a headache, forget your homework).
- Group 2: Write five questions that start, *What will happen if...?* (you fail an exam, are late to school).
- Group 3: Write five questions that start, *What will you do if...?* (it rains, your teacher gives you extra homework).

**3 Communication**

Get in new groups of three. Make sure each group has someone from each of the previous groups.

Ask each other the questions you wrote.

Listen to the advice others give. Give your own advice

**4 Creativity**

In the same groups, write a rap with fun advice. Use some of the ideas you used previously. Make sure to use the first conditional

**5 Evaluation**

- 1 Write down some of the ideas you heard from other students.
- 2 Underline the uses of conditionals in these ideas.
- 3 Which was the best idea you heard today?
