

## Unit 1

## Writing Worksheet

## Describing a graph

## Brainstorm

## 1 Look at this graph.

## 2 Complete the sentences with the percentages.

30	30	20	15	5
----	----	----	----	---

- 1 \_\_\_\_\_% of students recycle metal.
- 2 \_\_\_\_\_% of students recycle paper.
- 3 \_\_\_\_\_% of students don't recycle at all.
- 4 \_\_\_\_\_% of students recycle plastic.
- 5 \_\_\_\_\_% of students recycle glass.

## Organize your ideas

Paragraph 1: Complete these sentences with information from the graph to complete your first paragraph.

This graph shows the \_\_\_\_\_.

Most students \_\_\_\_\_ and \_\_\_\_\_.

Five percent of students \_\_\_\_\_.

A few students \_\_\_\_\_.

Paragraph 2: Write a conclusion. Include what the graph says about your class' habits. Add suggestions of how to recycle more.
